PRESIDENT’S MESSAGE

Wow, it sure was HOT in Florida!! I guess I can no longer complain about the cool June weather we have nor do I have to worry about putting hurricane shutters on our windows and doors in the northwest-just earthquakes. While I was in Florida, I thought about what a wonderful club we have and how, as volunteers, we are all extremely committed to improving the lives of women that we do whatever we need to do to make it happen-even if we feel over committed and exhausted some times.

I want to thank, Christina Joslyn, who was our guest testimonial speaker at the breakfast business meeting, June 1st. She shared her very touching story with us of how the Center for Battered Women (through Zonta’s donations) has assisted her in becoming a self-sufficient, independent, and confident mother and employee. Come to the next business meeting, July 6th and hear another testimonial from one of our funded agencies.

On June 5th, the board and committee chairs met to energize our enthusiasm for this year. We created our goals as a small team representing the larger team. The definition, I like, of a team is: “A distinguishable set of two or more individuals who interact dynamically, interdependently and adaptively to achieve specified, shared and valued objectives”. You can see the goals the team created in another area of the Zontagram. The individual committees will all be meeting and creating their own goals for 2006-2007 in alignment with the board committee chairs’ goals. We will all be anxious to read the individual committee goals in the upcoming Zontagrams.

Dana Wilbur certainly enlightened our members and their guests regarding volunteer tourism at our June Luncheon Program meeting. Thank you to Dana and Paula Trimble for continuing to educate us about opportunities to make a difference globally. I know that I, personally, have searched on the Internet for opportunities to travel to countries that are not on the “tourist route” and truly experience the country. Sounds like Dana knows just how to do that.

I hope it makes you proud, as Zontians, to present the Women in Transition Award and the Jane Klausman Award. It continues to remind us of our purpose as members of Zonta. Our recipients for 2006 are Darlene Daggett, Women in Transition Award and Takae Nagamiya, Jane Klausman Award.
I am also thinking of Carol and Cindy “down under” in Melbourne at the Zonta International Convention. We will hear from them at the July Program Luncheon Meeting. I can’t wait to hear all about their adventures and happenings at the convention. I am sure they will have wonderful stories to share. Be sure to attend July 20th and bring guests and prospective members.

We will also be saying good-bye to a very dear friend and dedicated Zontian, Diane Lahti, on July 11th. ALL of you are invited to attend a going away, garden (I hope) cocktail party at my home at 5:30 PM (see reminder in the Zontagram).

I hope that you all enjoy the summer season—with our very LONG days (aren’t they wonderful?). We will continue to work on our auction, conduct business meetings, enjoy program meetings, hold committee meetings, but most of all we will have FUN doing it, right?

Fondly,
Helen

July Birthday
Deborah Nedelman - July 13
The meeting was called to order by Co-Chairman Norlonna Funkhouser at 11:30 a.m., Holiday Inn in Everett. Those in attendance were: Norlonna Funkhouser, Judy Gish, Terese Quinn, Nancy Tornquist, Jaime Berry, Diane Wright, Jean Cooley, and Helen Kendall. Absent members were: Myrna Overstreet, Darcy Sperry, and Jan Parker.

The committee first heard a suggestion from Terese regarding the Nubian Festival to be held at Forest Park on July 29th, from 11 a.m. to 7 p.m. Since Zonta has determined diversification to be one of our goals in the coming year, it was agreed that participation in this event would be a good idea. The discussion included how Zonta could make a strong representation and ideas included: having a banner made that is visible and memorable, and creating posters with information and photos showing visible evidence of Zonta’s good works. Jean made a Motion and Nancy seconded it, that we have a booth at this event. The committee voted unanimously to support this, and Terese agreed to take the necessary steps to secure a booth for us.

Norlonna welcomed the committee and lead a discussion regarding the general goals and focus for the committee this year. It was agreed that we would strive to help implement the goals created last year, and to further refine and expand on them this year. This will take time, and includes involvement of the Zonta Club as a whole.

Our specific goals are:

REJUVENATION- Bring back old members, energize present and new ones.
EFFECTIVE RECRUITMENT- Net 5 new members this year (about 10%). Currently we have 44 members, by the end of the year we would like to have at least 49.
INCREASE GUEST ATTENDANCE- Helen encouraged the club to invite guest to all things, even if not a prospect. It will help develop our profile and image in the community.
EDUCATION-ORIENTATIONS- Provide prospective with information prior to joining regarding time and responsibility as Zonta members, and detailed information as to the organization itself and how we operate. History and more background information can be supplied at Mentor meetings.
COMMUNICATIONS- Making sure information is received and sent through proper channels efficiently.
MENTORSHIP PROGRAMS- Sponsors are mentors and need to follow through every step of the way as a new member comes on board. If a sponsor cannot be a mentor, there needs to be one chosen to replace them. Structuring a format that will educate and smoothly integrate new members is a high priority this year.

CHAMBER OF COMMERCE MEETINGS - Attend and take brochures, a perfect opportunity to increase positive awareness of Zonta in our community.

Initial areas of responsibility were discussed next and committee members volunteered or were assigned to an area they are to be responsible for addressing this year. This means they will orchestrate tasks in their specific areas and will secure the help they need from the committee and/or general Zonta membership. The following assignments were made:

Fellowship - Jaime and Jean
Minutes/Zontagram - Judy
Attendance Keeper r-Judy
Orientations/Initiations - Norlonna, Myrna
Cards/Sunshine/Missed you contacts/New Member Packets - Nancy
Diversification - Terese, Jean, Myrna
Zonta voicemail l-Jan
Floater - Diane will help where and when needed
Young Zontians (20-30yrs. old) – Judy

More clarification of tasks will occur at our next meeting. Ultimately, we are all responsible to one another. Mentoring is still a work in progress, for instance, and we must determine how that is going to be set up, and if we are going to have a different format for the younger members to make it more user friendly with their circumstances of juggling young families, etc;

Helen commented that Corvallis has a good model for the younger members. Their Club is set up so the younger members are invited to the regular meetings, but are not required to attend. They do not pay dues and have no voting power. The young group has autonomy to choose and implement their own project for Zonta, and are in charge of it themselves.

A short discussion on how to assure everyone feels they are part of the group. The responses to questionnaires and through discussion groups at the retreat indicated some do not feel comfortable. It is something we want to keep working on, and one suggestion was to mix up our seating at the meetings…with name tagged seating.

The next topic was to determine a regular meeting time and it was agreed to meet on the 4th Thursday, 11:30 a.m. at the Holiday Inn in Everett. Our next meeting is scheduled for July 13th.

The last decision of the day was to target the second Thursday in September (September 13th) for the next Orientation at Jaime Berry’s, 6 p.m.

Respectfully submitted,
Judy Gish

Zonta Auction Committee Meeting
June 13, 2006

ATTENDING: Pat Allen, Jaime Berry, Margaret Brueland, Jean Cooley, Norlonna Funkhouser, Janice Henning, Carol Johnson, Isbell Juntilla, Diane Lahti, Susan Morgan, Jan Parker, Judith Strand, Paula Trimble, Suzie Truglio, Diane Wright,

1) Minutes: The minutes of the last meeting were reviewed. Norlonna moved and Judith seconded minutes be accepted as read.

2) Old Business:
   a) Co-MC: Connie Wittren has agreed to act as Co-MC.
   b) Liquor Liability:
      Isbell picked up a Banquet liquor license application today. It takes 45 days to be processed and will cost $60. It is valid for 1 event, 1 night and must be posted at the event. To sell liquor, liability insurance is needed which Cindy Phillips estimates will cost about $1,000. A Zonta member has volunteered to pay for the policy.

      The idea of using another caterer who had a liquor license had been discussed at previous meetings and Isbell checked with Celebrations Caterer. The cost would be 2 x the cost of using Erwin, the Yacht Club caterer, and it would be for half the food. The consensus was to go with Erwin and try to get the beer and wine for the bar donated.

      Other beverages to be provided are water, pop, sangria, a virgin sangria and/or non-alcoholic punch.

      Judith said she and Ray will donate 1 case of wine and Pat said she and Larry will donate 3 cases of wine. Jaime will try to get the beer donated.

      Jaime volunteered to talk with her adult children as well as Norlonna’s adult children to see if they would be willing to volunteer as bartenders.

3) Silent Auction:
   After discussion, members present voted on the following schedule:

   Silent Auction will start at 4:30 p.m.
   Food will be served at 6:00 p.m. – an appetizer buffet on the west side of the room.
   Silent Auction will close at 6:15 p.m.
   Dessert Auction/Live Auction will begin at 6:45 p.m. – Sequencing of the dessert and live auction to be determined at a future date. Vote passed.

4) Wine Cellar:
   Members are asked to donate $20 or 2 bottles of wine for the wine cellar. Checks may be given to Janice Henning or Janet Jolley. Members should complete an auction donation form also to hand in with their donation.

5) Entertainment:
   Two of Darcy’s children are professional musicians who have volunteered to play for tips. They will be playing at a club in Fremont and Isbell has also asked for a CD to listen to. If members wish to hear them perform, updated information since the meeting is that they will be performing at “TOAST” in Fremont on June 23rd. It is located at 513 N. 36th ST.

      Several music options were discussed and the consensus seemed to be to have instrumental music that is relaxed, casual, soft jazz, mellow, etc. If a group does play, members present decided it would be better to budget a dollar amount for that rather than have them play for tips.

      Susan Morgan is also sure she can get a jazz trio from Cornish for a reasonable amount, too, as a back up. Another option is to have background music from CD’s. No decision was made at this time about the entertainment.

      Susan offered to donate a gift certificate or rental certificate (in lieu of payment) to a musical group that might perform.

6) Dessert Auction:
   Norlonna asked for clarification on how the dessert auction will work. Desserts will be solicited to be bid on and eaten at the auction. If other desserts are donated but not provided for the night of the auction, they will go in the Silent Auction. Small plates and silverware will need to be available for the desserts to be eaten at the auction. There were several ideas presented as to how to structure the dessert auction and it was suggested that the committee work on a proposal.

7) Live Auction:
   Judith Strand is also going to be working with Pat Allen and Susan Morgan on the Live Auction. It will be sequenced and discussed closer to the auction itself.

8) Corporate Sponsors: No report as Jean Ann French was unable to attend.

9) P/R: P.R. has gone out per Pat Allen.
10) **Decorations:** Helen has spent $147 so far and has decorations covered with the help of Linda Senter, Darcy Sperry, and Diane Wright.

11) **Attire:** Cruise wear

12) **Budget:**
Isbell presented a budget, which was discussed. Members present voted to set ticket prices at $50 and that price would include 2 beverage tickets. It was thought this would help traffic flow smoother rather than having people wait in line to check in then get in another line at the top of the stairs to purchase beverage tickets.

Additional beverages may be purchased at the event:
- $2.00 for pop or water
- $4.00 for beer/wine/sangria.
A tip jar will also be available at the bar with tips going to auction profits.

13) **Solicitations:**
Several ideas were discussed including Jaime’s offer to donate a lunch and she wondered if someone could get a florist to do a floral arrangement demo at the lunch.

Another idea is to see if a florist would donate 1 floral arrangement a month as a silent auction item. Paula will check with Barbara’s Floral.

Helen may donate her Florida condo for Live Auction and Norlonna said she would try to get a Sun Valley trip.

Members would like to have an accounting of the donations that have been received on a regular basis so they can follow up on their personal solicitations. Paula will follow up on this with Carol Johnson.

Discussion centered on raising solicitation consciousness with regular e-mails since Carol reported the solicitations received so far are minimal. Suzie T. volunteered to send out some e-mails.

14) **July Meeting:**
The decision was made to have the July Auction Meeting on **Monday, July 10th**, at 6:00 p.m. at Isbell’s and every effort will be made to get new Zonta members there to help increase their knowledge about the auction so they can become more involved. Isbell asked members attending to bring food to share again.

Meeting Adjourned.
